

# YES WE SCAN!

*We have been operating our own **x-ray machine** in our warehouse at Munich Airport since 2015!*

# R

**Maximum package dimensions are 145 cm x 170 cm, max. weight 2.000 kg per package. In addition, we have a „sniffer“ for dark alarms or oversized packages.**

*The current operating times for both devices are from 2 pm to 8 pm on working days. We pack your shipments tamper-proof if required. We handle the dangerous goods check of your shipments in accordance with IATA guidelines.*

*Please contact us for a quote!*
